

Granuldisk capacity key

Use this capacity key to determine our pot washing models ability to handle GN containers. Depending on pot wash model, allowed maximum depth of loaded pans may vary. See also below our combined dishwashers capacity to wash crockery with low pressure in standard dishwashing baskets (500x500 mm).

GN 1/1

Model	Max. /cycle	Max. /hour

Granule Gastro	2	48
Granule Combi	2	42

Dishwashing - Granule Combi / Granule Smart+ / X2 Lean Wash Center

Wash baskets 500x500

Model	Max. /hour
Granule Combi AIO*	40
Granule Combi DWS**	30
Granule Smart+	40
X2 Lean Wash Center	50

Granule Combi can be used in 2 ways: as an *all in one-solution* that handles all your dish and pot washing needs in one machine, or as a *pot washer with dishwashing support*.

* **All-in-One Edition** handles all your pot and dishwashing in one machine and replaces the need for a separate dishwasher. Fits operations cooking and serving up to 300 hot meals per day and spend 2-2,5 hours dishwashing.

** **Dishwashing Support Edition** is a Granule pot washer with dishwashing support. Fits operations that prepare up to 1,200 hot meals per day and need a reliable pot wash solution, that can also take the load of the dishwasher during peak hours or low season.
